

CGC | CONCERN FOR
THE GIRL CHILD

Our Passion is Empowering the Girl Child

Core Programme Areas

- Girl Child Education Support
- Child Care and Protection
- Girl Child & Community Sexual & Reproductive Health Enhancement
- Institutional Strengthening

OUR VISION

- A world where all people are contributing to the Social, Economic and Political Development of their country.

OUR MISSION

- We are a national Non-Government Organization committed to 'Upholding the rights of children and youth, through vulnerable girl-child centred education and skills development services in partnership with parents, communities, schools, government and civil society organizations in Uganda

OUR GOALS

- To transform vulnerable & disadvantaged girls into productive, caring & responsible citizens
- Women and girls are free from all forms of discrimination including sexual and gender based violence and from the threat of such.

Organizational Working Principles:

- Partnerships - Participation - Empowerment - Commitment to Learning

Our Strategic Outcomes

Girl Child Education Support

- Reduced gender inequality and discrimination in targeted communities
- Increased employment rates among CGC supported Orphans and Vulnerable Girls
- Increased Spirit of giving and helping others among CGC supported girls
- Increased self-esteem and confidence among the CGC supported girls

Child Care and Protection

- Significant reductions in defilement cases, early pregnancies and child marriages in CGC targeted communities
- increased support to children's education by parents, guardians and communities in general
- Improved partnerships and coordination between CGC, local governments and communities, children and their parents in child protection work
- Increased investment of resources by district local governments and communities in child protection work

Girl Child and Community Sexual & Reproductive Health Enhancement

- Girl's retention in school
- Morbidity and Mortality in targeted communities due to unsafe water accessibility and poor sanitation and unhygienic practices reduced
- Sanitation ordinances and by laws enacted and enforced in CGC target districts
- All CGC targeted communities are Open Defecation Free

Institutional Strengthening

- Board effectiveness in its roles and support for resource mobilization
- Policy infrastructure improvement
- HR development, organization and staffing
- Wider and Increased Resource Mobilization
- Functional and Relevant Monitoring and Evaluation
